New York State Medicaid Births by County

County	Medicaid Births Countywide Annually 2016- 2018	10% to 15% of Medicaid Births Countywide Annually 2016-18	Region	Cost per family
Cayuga	383	38 to 57	Upstate	\$7,200
Chautauqua	694	69 to 104	Upstate	\$7,200
Columbia	117	11 to 17	Upstate	\$7,200
Essex	83	8 to 12	Upstate	\$7,200
Fulton	258	25 to 38	Upstate	\$7,200
Genesee	154	15 to 23	Upstate	\$7,200
Greene	121	12 to 18	Upstate	\$7,200
Hamilton	5	1	Upstate	\$7,200
Lewis	144	14 to 21	Upstate	\$7,200
Montgomery	376	37 to 56	Upstate	\$7,200
Nassau	4676	467 to 701	Mid-Hudson	\$7,600
Onondaga	2409	240 to 361	Upstate	\$7,200
Putnam	212	21 to 31	Mid-Hudson	\$7,600
Saratoga	288	28 to 43	Upstate	\$7,200
Schoharie	72	7 to 10	Upstate	\$7,200
Schuyler	78	7 to 11	Upstate	\$7,200
Seneca	202	20 to 30	Upstate	\$7,200
Tompkins	275	27 to 41	Upstate	\$7,200
Warren	51	5 to 7	Upstate	\$7,200
Washington	83	8 to 12	Upstate	\$7,200
Wyoming	117	11 to 17	Upstate	\$7,200

To determine the number of families to be served and the amount of funding needed, use the following formula:

of families based on 10-15% of Medicaid births X cost per family = funding amount

Example using the data for Chautauqua (above):

69 X \$7,200 = \$496,800

Note: the maximum award is \$500,000 annually per county to be served.
