SHEILA J. POOLE
Commissioner

June 25, 2021

Dear Chief Executive Officer,

Thank you for submitting Chenango County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2020-2021. Your entire STSJP plan, including any amounts listed for PY 2020-2021 STSJP-RTA, has been **approved.**

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2021, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2020 to September 30, 2021. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at stsjp@ocfs.ny.gov with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at stsjp@ocfs.ny.gov and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

NOTE:

Cooperative Applications Submitted Jointly by Two or More Counties

Two or more eligible local jurisdictions (counties) may join together to establish, operate and maintain STSJP programs, and may enter into agreements in connection therewith. Counties submitting such applications must provide additional information under **Part I - Municipality Level Details, Section A. Cooperative Application.**

PART I – MUNICIPALITY LEVEL DETAILS

A. Cooperative Application (Complete this section only if this is a joint application.)

1. Describe the provisions for the proportionate cost to be borne by each county.
 2. Describe how personnel will be compensated across and between counties in the cooperative:
 3. Will a single fiscal officer be the custodian of the funds made available for STSJP?
 Yes (If yes, please provide their contact details below.)
 No (If no, skip to Q4.)
- | | |
|-----------------|----------------------------------|
| Officer's Name: | Title: |
| Phone: () | Ext: Email: |
4. Describe who will be responsible for collecting and submitting STSJP data for joint-funded programs:

B. Municipality Level Analysis

1. (a) Identify communities or neighborhoods from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; then (b) Discuss what factors may be contributing to these high numbers:

Chenango County has a small number of youth who would fit into the above listed populations. Chenango County has two communities with the highest numbers of YO, AO, JO, JD, and PINS population. They are the two largest municipalities within the county. The population density in these areas may play a role. The youth's lack of

involvement in the school community and the community in which they reside is also a factor contributing to their status.

2. (a) Compare the racial/ethnic distributions among your local system’s detention and/or residential placements with the racial/ethnic distributions in your municipality’s general population; then (b) Discuss any racial/ethnic disparities you identified and how this plan will address the disparities:

Chenango County has had a total of six children placed in a residential or detention at some point in time in 2020. Two of those six children were not related to JD charges. All six children placed in a residential setting or that spent time in detention were white, non-hispanic children. Chenango County’s population is approximately 94.5% white, non-hispanic. There was no racial/ethnic disparities for the year 2020. However, Chenango County has such a small population of children placed in a residential/detention setting that just one child can skew the numbers. This plan is designed to support families having difficulty parenting their children and children who struggle with PINS/JD types of behaviors. The plan is in place to help prevent children from entering the foster care system as a result of their behavioral issues.

C. Local Collaboration

1. STSJP legislation requires local collaboration. Please describe your municipality’s activities in developing this year’s STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

The Chenango County Department of Social Services is responsible for writing this plan. We are also the lead agency in PINS Diversion. The department is in constant contact with the Probation Department and has access to all petitions the Probation Department files in regards to youth. The Place administers the below listed programs and assists in writing of the application. The department has strong collaborations with the local school districts as well and we communicate frequently with each other.

5. Is the program capable of being replicated across multiple locations? Yes No

C. Program 1 Performance History (Refer to your municipality’s STSJP data files.)

1. What funding did this program receive in PY 2019-2020?
 None (If none, skip to section D.) STSJP STSJP-RTA

2. Please use the table to record **how many youth (#) were served** by the program between 10/1/2019 and 3/31/2020. Enter zero (0) if not applicable.

Approved Funding	Program Type								Total

			(PINS)	(JO/JD)	(JD-RTA)	(AO)			
STSJP	9								9
STSJP-RTA									
Total	9								9

3. Based on the program’s record of youth served (Q2), do you anticipate this program being over or under its budgeted capacity on 9/30/2020? Please explain:
It was our hope and intent to exceed budgeted capacity, however the pandemic and subsequent shutdown created unforeseen challenges in doing that.

4. Please use the table to record the **average lengths of service (days)** for youth who exited the program between 10/1/2019 and 3/31/2020. Enter zero (0) if not applicable.

Approved Funding	Program Type							
	P	EI	ATD/ATPDP				ATP	R/A
			(PINS)	(JO/JD)	(JD-RTA)	(AO)		
STSJP	64.00							
STSJP-RTA								

5. How do the average lengths of service (Q4) compare to what you would expect for that point? For ATD/PDP and ATP points, compare with the average lengths of stay for youth who were in detention and residential placements during the same time period.

The full length of stay for why Try is 70, per participant. The average length of stay of 64 is a respectable length of stay, given the circumstances that we ended the recording period in (pandemic).

6. Will this program's outcomes meet the PY 2019-2020 projected goals by 9/30/2020?

Yes (If yes, skip to section D.) Partially No

7. (a) What outcomes are on track to meet the goals set for PY 2019-2020? (b) How will they be met?

Youth were able to connect with facilitators and thereby develop a trusting relationship and resource to be able to work through concerns/problems. Youth also demonstrated increased awareness, positive attitude changes, and an increase in self motivation. These positive changes were demonstrated by attendance, active participation and the positive interactions between youth and facilitators.

8. (a) What outcomes are not on track to meet the goals set for PY 2019-2020? (b) Please describe any contributing barriers.

Due to the pandemic, we were not able to reach the projected number of youth that we had hoped. Although we were able to move the live class to a virtual venue, youth did not participate either because of lack of internet service at their home or they were uncomfortable in the virtual format.

9. What changes have been made to overcome the barriers identified in Q8, so that the program can achieve its desired goals for PY 2020-2021?

Although we can not control the pandemic, we hope that by increasing marketing efforts and additional communication with school officials and PINS staff the enrollment numbers will increase.
