Governor

SHEILA J. POOLE
Commissioner

March 10, 2021

Dear Chief Executive Officer,

Thank you for submitting Delaware County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2020-2021. Your entire STSJP plan, including any amounts listed for PY 2020-2021 STSJP-RTA, has been **approved.**

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2021, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2020 to September 30, 2021. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at stsjp@ocfs.ny.gov with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at stsjp@ocfs.ny.gov and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

Nina Aledort, Ph.D., LMSW

NOTE:

Cooperative Applications Submitted Jointly by Two or More Counties

Two or more eligible local jurisdictions (counties) may join together to establish, operate and maintain STSJP programs, and may enter into agreements in connection therewith. Counties submitting such applications must provide additional information under **Part I - Municipality Level Details, Section A. Cooperative Application.**

PART I – MUNICIPALITY LEVEL DETAILS

A. Cooperative Application (Complete this section only if this is a joint application.)

1. Describe the provisions for the proportionate cost to be borne by each county.
 2. Describe how personnel will be compensated across and between counties in the cooperative:
 3. Will a single fiscal officer be the custodian of the funds made available for STSJP?
 Yes (If yes, please provide their contact details below.)
 No (If no, skip to Q4.)
- | | |
|-----------------|--------|
| Officer's Name: | Title: |
| Phone: () | Email: |
4. Describe who will be responsible for collecting and submitting STSJP data for joint-funded programs:

B. Municipality Level Analysis

1. (a) Identify communities or neighborhoods from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; then (b) Discuss what factors may be contributing to these high numbers:

Delaware County is a very rural locality with population primarily located in villages. Several of the villages maintain their own police departments. However, most juvenile delinquency matters are not handled by the village police department but are by the Sheriff's Office and the State Police. A review of zip codes generated in a report

from the case management software indicates there is not a particular part of the county that appears to be more problematic than another. Furthermore, recognizing the disperse geographic nature of the juveniles under supervision was the catalyst for making this funding request.

2. (a) Compare the racial/ethnic distributions among your local system’s detention and/or residential placements with the racial/ethnic distributions in your municipality’s general population; then (b) Discuss any racial/ethnic disparities you identified and how this plan will address the disparities:

Based on data compiled by the Probation Departments case management software, there does not appear to be an issue with racial disparity in addressing juvenile matters. The racial/ethnic distributions in Delaware County are 94.9% white. For 2019, all detention admissions were for white youth, except one youth with no race/ethnicity identified.

C. Local Collaboration

1. STSJP legislation requires local collaboration. Please describe your municipality’s activities in developing this year’s STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

The Probation Department held an in person meeting and had several telephone calls with the LDSS to explore this years STSJP. Ultimately after discussion it was decided that the Probation Department would consult with Catholic Charities to determine if the current Mentoring program could be enhanced through STSJP funding. During meetings with Catholic Charities it was concluded that Mentoring would benefit with staff dedicated to reaching the more rural parts of the county outside of the more populated villages.

B. Program 1 Description and Target Population

4. Describe the program, including how it is family focused. If you answered “yes” to Q1 (FSS), be sure to demonstrate how your program meets the definition. Also, please explain how each of the service types selected in Q2 will address the unique needs of youth at that system point, and how those services will aid in the reduction of youth detained and residentially or otherwise placed. If you selected Indirect Services, please list them.

The department has operated a mentoring program through Catholic Charities for several years with varying degrees of success. Recruiting volunteer mentors for at-risk youth has been challenging, in particular in the more rural areas of the county. Often volunteer mentors reside in the more densely populated villages of the county and have difficulty getting to less accessible addresses. That leaves many youth who would benefit from a mentor without any resource. This funding from the application will be used to hire a direct service part time mentor who will not be as constrained to the geographic limitations that a large county such as Delaware are inherent to. The program will provide a positive pro-social opportunity for at-risk youth to engage with their community.

5. Is the program capable of being replicated across multiple locations? Yes No
