ANDREW M. CUOMO  
Governor

SHEILA J. POOLE  
Commissioner

July 7, 2021

Dear Chief Executive Officer,

Thank you for submitting Livingston County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2020-2021. Your entire STSJP plan, including any amounts listed for PY 2020-2021 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2021, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2020 to September 30, 2021. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

#### NOTE:

#### Cooperative Applications Submitted Jointly by Two or More Counties

Two or more eligible local jurisdictions (counties) may join together to establish, operate and maintain STSJP programs, and may enter into agreements in connection therewith. Counties submitting such applications must provide additional information under **Part I - Municipality Level Details, Section A. Cooperative Application.**

### PART I – MUNICIPALITY LEVEL DETAILS

#### A. Cooperative Application (Complete this section only if this is a joint application.)

- Describe the provisions for the proportionate cost to be borne by each county.
  - Describe how personnel will be compensated across and between counties in the cooperative:
  - Will a single fiscal officer be the custodian of the funds made available for STSJP?  
 Yes (If yes, please provide their contact details below.)  
 No (If no, skip to Q4.)
- |                 |                  |
|-----------------|------------------|
| Officer's Name: | Title:           |
| Phone: ( )      | Ext:      Email: |
- Describe who will be responsible for collecting and submitting STSJP data for joint-funded programs:

#### B. Municipality Level Analysis

- (a) Identify communities or neighborhoods from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; then (b) Discuss what factors may be contributing to these high numbers:

Active Supervision and Diversion Cases By School District: 2020

- Livonia (8) 2. Dansville (4) 3. Mount Morris (2) 4. York (2) 5. (1) out of state, (1) Geneseo, (1) out of county-Pavilion, (1) GVEP, (1) Cal-Mum.

Further breakdown provided:

PINS Referrals

Parent referred (4) School referred (8)

JD Offenses

1. Sex Offenses (7)
2. Criminal Trespass (6)
3. Petit Larceny (5)
4. Endangering the Welfare of a Minor (3)
5. Criminal Mischief (2)
6. One each of the following: Criminal Impersonation, Attempted Governmental Administration, Criminal Possession of a Weapon, Menacing.

During the 10.1.19 to 3.31.2020 period 6 distinct youth were Placed in detention. 5 in Non Secure and 1 in secure. Of the 6 youth, 4 went onto placement 3 at a residential level of care, 1 in a Group Home. All remain in care. Offenses of this youth include sex offenses, petit larceny, and burglary. Efforts were made prior to their detention placements with community level services which the youth did not engage in and violated the terms of their probation. Impressions as to what is contributing to these numbers is an increase in arrests on JD charges combined with the type of charges where determinations are made that these youth are a risk to the community requiring a higher level of supervision and treatment. To note the 3 youth placed in residential are placed at the William George Agency and have been experiencing success, where step downs are being explored. The 1 youth placed in a Group Home level of care has continue to AWOL.

2. (a) Compare the racial/ethnic distributions among your local system’s detention and/or residential placements with the racial/ethnic distributions in your municipality’s general population; then (b) Discuss any racial/ethnic disparities you identified and how this plan will address the disparities:

Livingston County is a rural county with a population of approximately 64,000. The racial/ethnic distribution is predominately white approximately 90%, with about 3% being Black or African American alone. 3.5 % Hispanic or Latino, and the remaining population Asian alone and American Indian. Of the 6 distinct youth placed in detention, 3 of the youths racial/ethnic background was white and the remaining 3 were Black or African American. Racial disparity exists and will continue to be evaluated with service provisions and assessments with our partner agencies. Contributing factors to this disparity is unpredictable. Sibling groups have been one factor. In terms of a plan, all cases/youth continue to be triaged through community based programming. If these services are unsuccessful the courts make a determination based on the information in front of them including efforts made by the providers and youth involved.

**C. Local Collaboration**

1. STSJP legislation requires local collaboration. Please describe your municipality’s activities in developing this year’s STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:  
  
Locally staff meet with regularity with the Probation department, Hillside Children's Center, the County Attorney, School districts,(in particular Dansville and Livonia Schools), and Community Services programing on a quarterly basis. Our Family Court is aware of legislation and makes determinations based on least restrictive levels of care for youth in an effort to maintain youth in the community when reasonably and safely possible.

If you selected Indirect Services, please list them.

Youth who are referred to probation either through an arrest/pre-court involvement, or other means are reviewed for appropriateness for diversionary services, including RTA youth. When this occurs this identified program will be sought for youth who are identified as potentially benefitting from learning alternative ways to manage the behaviors they are demonstrating either at home or within the community. Customized service delivery through either skillbuilding support, mentoring, skillbased groups will be coordinated to safely maintain the youth in the community reducing further juvenile justice system involvement. This availability of this service is being expanded to address the ATD/ATPDP domain to divert youth from detention or pre-dispositional placement.

5. Is the program capable of being replicated across multiple locations?  Yes  No

5. How do the average lengths of service (Q4) compare to what you would expect for that point? For ATD/PDP and ATP points, compare with the average lengths of stay for youth who were in detention and residential placements during the same time period.  
 The length of stay was less than a year and the service intervention resulted in no out of home placements or detention remands. Additionally the length of stay last period was 340 days with 49 youth served. This period we increased the number of youth served to 52 and also experienced a reduction in the length of days as a result of targeted meetings with the project stakeholders to evaluate the youth referred and the provider outcomes.
