SHEILA J. POOLE
Commissioner

July 7, 2021

Dear Chief Executive Officer,

Thank you for submitting St. Lawrence County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2020-2021. Your entire STSJP plan, including any amounts listed for PY 2020-2021 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2021, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2020 to September 30, 2021. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at stsjp@ocfs.ny.gov with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at stsip@ocfs.ny.gov and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

NOTE:

Cooperative Applications Submitted Jointly by Two or More Counties

Two or more eligible local jurisdictions (counties) may join together to establish, operate and maintain STSJP programs, and may enter into agreements in connection therewith. Counties submitting such applications must provide additional information under **Part I - Municipality Level Details, Section A. Cooperative Application.**

PART I – MUNICIPALITY LEVEL DETAILS

A. Cooperative Application (Complete this section only if this is a joint application.)

1. Describe the provisions for the proportionate cost to be borne by each county.

2. Describe how personnel will be compensated across and between counties in the cooperative:

3. Will a single fiscal officer be the custodian of the funds made available for STSJP?

- Yes (If yes, please provide their contact details below.)
 No (If no, skip to Q4.)

Officer's Name:

Title:

Phone: ()

Ext:

Email:

4. Describe who will be responsible for collecting and submitting STSJP data for joint-funded programs:

Youth Advocate Programs

B. Municipality Level Analysis

1. (a) Identify communities or neighborhoods from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; then (b) Discuss what factors may be contributing to these high numbers:

Areas of St. Lawrence County most affected by these issues are the towns of Massena, Ogdensburg and Gouverneur. The factors contributing to these issues include lack of appropriate activities available to the teen population, an increasing access to drugs and alcohol, as well as opportunities getting involved in small scale drug

trafficking through association with individuals coming to the area from urban areas with the purpose to distribute. Many youth entering the system have chosen this way of making money as other jobs available to them pay minimum wage. The majority of youth from St. Lawrence County who enter the juvenile justice system are from poor socioeconomic areas and from families that are at least partially dependent on TANF to make ends meet. These youth frequently have poor supervision, lack of coping skills, lack of connection to their education and resulting stigma within the communities.

2. (a) Compare the racial/ethnic distributions among your local system's detention and/or residential placements with the racial/ethnic distributions in your municipality's general population; then (b) Discuss any racial/ethnic disparities you identified and how this plan will address the disparities:

The majority of the population of St. Lawrence County are caucasian. All youth placed from St. Lawrence County have been caucasian males and females. When youth from St. Lawrence County are placed in residential and detention facilities, this is often the first time these youth are introduced to other ethnicities and races.

C. Local Collaboration

1. STSJP legislation requires local collaboration. Please describe your municipality's activities in developing this year's STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

The St. Lawrence County Department of Social Services, Probation Department, and Youth Advocate Programs collaborate to serve youth and families in the juvenile justice system. Youth Advocate Programs works directly with the youth to provide one on one advocacy to assist them in maintaining in the community and home settings, while assisting in ensuring that they attend all required appointments with other providers, court hearings, school, and complete community service or restorative justice projects. The youth's engagement in these activities is reported back to DSS and Probation to allow for proper reporting to the courts and further collaboration with area providers

2. Please check all applicable boxes below to identify the service types that will be utilized for this program in PY 2020-2021:

<input type="checkbox"/>	<input type="checkbox"/>	Indirect Services

3. Please list the zip codes this program will target:

13662, 13668, 13669, 13642

4. Describe the program, including how it is family focused. If you answered “yes” to Q1 (FSS), be sure to demonstrate how your program meets the definition. Also, please explain how each of the service types selected in Q2 will address the unique needs of youth at that system point, and how those services will aid in the reduction of youth detained and residentially or otherwise placed. If you selected Indirect Services, please list them.

This program will be utilized for non-RTA and RTA youth who are receiving diversion/adjustment services, as an alternative to detention/pre-dispositional placement during the pendency of their case, or post-dispositionally as an alternative to placement or to support youth re-entering the community from placement. YAP will receive referrals from St. Lawrence County DSS and Probation Department that are to prevent youth from being placed into foster care or non-secure housing. The YAP trauma-informed and strength-based model is family and youth focused. The program will apply to this population by assessing needs, wrap around approach (includes daily check-ins, school attendance support, transportation to court, services, school, court reminders, referrals for services and supports, intensive crisis planning with youth and families, reintegration planning for youth returning to the community from placement, and making sure that the youth and family have safe housing and resources to support them. The program also provides a supportive employment and community service program for youth. YAP participates in bi-weekly permanency planning meetings to ensure all stakeholders are moving toward permanency goals.

The Youth Advocate Program will use funds allotted to develop a tailored Independent Living Skills program to be completed with with all STSJP youth over the age of 14. This would be a multi-week, hands on program with youth working directly with an advocate to learn the skills identified in real-world settings. This program will be structured in a 12 domain model. Each youth in the program will have a core set of topics that are required, then are able to choose from several “elective” topics to total 12 domains. This allows for the individualized approached for each youth, and them learning skills that are most meaningful to them. Funds will be used to purchase materials as needed for each topic and reimbursement of staff working with the youth.

5. Is the program capable of being replicated across multiple locations? Yes No

C. Program 1 Performance History (Refer to your municipality’s STSJP data files.)

1. What funding did this program receive in PY 2019-2020?

None (If none, skip to section D.) STSJP STSJP-RTA

2. Please use the table to record **how many youth (#) were served** by the program between 10/1/2019 and 3/31/2020. Enter zero (0) if not applicable.

Approved Funding	Program Type								Total
	P	EI	ATD/ATPDP				ATP	R/A	
			(PINS)	(JO/JD)	(JD-RTA)	(AO)			
STSJP	0	0	0	10	0	0	11	0	21
STSJP-RTA	0	0			3	0	0	0	3
Total	0	0	0	10	3	0	11	0	24

3. Based on the program's record of youth served (Q2), do you anticipate this program being over or under its budgeted capacity on 9/30/2020? Please explain:

The program will be over budgeted capacity as several more youth were served than projected.

4. Please use the table to record the **average lengths of service (days)** for youth who exited the program between 10/1/2019 and 3/31/2020. Enter zero (0) if not applicable.

Approved Funding	Program Type							
	P	EI	ATD/ATPDP				ATP	R/A

STSJP-RTA	0.00	0.00			0.00	0.00	812.00	0.00

5. How do the average lengths of service (Q4) compare to what you would expect for that point? For ATD/PDP and ATP points, compare with the average lengths of stay for youth who were in detention and residential placements during the same time period.

Average length of stay is proportionate to the services available in the youth home communities.

6. Will this program's outcomes meet the PY 2019-2020 projected goals by 9/30/2020?

Yes (If yes, skip to section D.) Partially No

7. (a) What outcomes are on track to meet the goals set for PY 2019-2020? (b) How will they be met?

YAP worked with a total of 24 youth, 11 of whom were discharged and tracked. Of these youth, the following outcomes were met:

- 91% Served will had a positive school outcome
- 100% served has made all court appearances
- 100% served cooperated with program rules

8. (a) What outcomes are not on track to meet the goals set for PY 2019-2020? (b) Please describe any contributing barriers.

The remainder of identified outcomes were not met. 63% of youth participated in traditional or supported work, the primary reasoning for this is related to the COVID-19 pandemic and restriction this has placed on businesses.

9. What changes have been made to overcome the barriers identified in Q8, so that the program can achieve its desired goals for PY 2020-2021?

With the COVID restrictions, once these restrictions are gradually lifted we expect to see a significant improvement in supported and traditional work.

D. Program 1 Service Projections for PY 2020-2021
