

Report Identification Number: RO-15-018

Prepared by: Rochester Regional Office

Issue Date: 12/2/2015

This report, prepared pursuant to section 20(5) of the Social Services Law (SSL), concerns:

- A report made to the New York Statewide Central Register of Child Abuse and Maltreatment (SCR) involving the death of a child.
- The death of a child for whom child protective services has an open case.
- The death of a child whose care and custody or custody and guardianship has been transferred to an authorized agency.
- The death of a child for whom the local department of social services has an open preventive service case.

The Office of Children and Family Services (OCFS) is mandated by section 20 of the SSL to investigate or cause for the investigation of the cause and circumstances surrounding the death, review such investigation, and prepare and issue a fatality report in regard to the categories of deaths noted above involving a child, except where a local or regional fatality review team issues a report, as authorized by law.

Such report must include: the cause of death; the identification of child protective or other services provided or actions taken regard to such child and child's family; any extraordinary or pertinent information concerning the circumstances of the child's death; whether the child or the child's family received assistance, care or services from the social services district prior to the child's death; any action or further investigation undertaken by OCFS or the social services district since the child's death; and as appropriate, recommendations for local or state administrative or policy changes.

This report contains no information that would identify the deceased child, his or her siblings, the parent, parents, or other persons legally responsible for the child, and any members of the deceased child's household.

By statute, this report will be forwarded to the social services district, chief county executive officer, chairperson of the local legislative body of the county where the child died and the social services district that had legal custody of the child, if different. Notice of the issuance of this report will be sent to the Speaker of the Assembly and the Temporary President of the Senate of the State of New York.

This report may **only** be disclosed to the public by OCFS pursuant to section 20(5) of the SSL. **It may be released by OCFS only after OCFS has determined that such disclosure is not contrary to the best interests of the deceased child's siblings or other children in the household.**

OCFS' review included an examination of actions taken by individual caseworkers and supervisors within the social services district and agencies under contract with the social services district. The observations and recommendations contained in this report reflect OCFS' assessment and the performance of these agencies.

NYS Office of Children and Family Services - Child Fatality Report

Report Type: Child Deceased
Age: 3 month(s)

Jurisdiction: Monroe
Gender: Female

Date of Death: 06/20/2015
Initial Date OCFS Notified: 06/20/2015

Presenting Information

The infant SC was breastfed by her BM at approximately 10:00pm. She brought SC upstairs to their bedroom to sleep at approximately 10:30pm. SC was placed face down on top of a pillow on their bed. Her upper torso was on the pillow and her lower half was on the mattress. SC's face was to the side. The BM then returned downstairs. At approximately midnight BM went to her room and found SC face down on the bed. The bed was observed to have an egg crate foam covering over the mattress (approximately 2-3 in. thick). SC was not responsive. BF began chest compressions and mouth to mouth breathing. BF picked up SC and ran to the hospital thru the cancer center. BM has a pass and they believed it faster than calling 911. They arrived at the emergency dept. within minutes. SC was pronounced dead on 6/20/15 at 12:30am.

Executive Summary

This fatality report concerns the death of a female child that occurred June 20 2015. The medical examiner's report indicates that the manner and cause of death were "pending investigation". The SCR received a report of a DOA Fatality and Inadequate Guardianship on 6/20/15 at 2:10am. against SM and SF. The SC was pronounced deceased at 12:30am. On 6/20/15.

Monroe County Dept. of Human Services (MCDHS) and Law Enforcement arrived at the home of the SC on 6/21/15 at 12:45pm to complete their initial assessment. SM and SF, LE, OC and several family members from both sides of the family were present in the house. SM gave an account of events as follows. SM breastfed SC downstairs in the home at approximately 10pm. SM brought SC upstairs to their bedroom at approximately 10:30pm. She placed SC face down on a pillow on SM and SF's bed. SC had the lower half of her body on the bed. SM turned SC's face to the side of the pillow. SM then went downstairs.

At approximately midnight SM went upstairs to check on SC. On entering the bedroom SM found SC lying face down on the bed with some vomit. SM stated SC was not responsive. SF entered the room and began chest compressions and mouth to mouth breathing. SM and SF picked SC up and ran to the emergency room at the hospital. The hospital is across the street from the residence. SM works at the hospital and her pass allowed her quick access to the emergency department. SC was pronounced deceased at 12:30am on 6/20/15.

MCDHS and LE conducted a joint investigation. An examination of the SC's sleeping area in the parent's home was completed. Photos were taken of the SC bedroom. The bedroom contained appropriate furnishing. It was evident that SC was not using the crib as it was full of clothing. The surviving sibling was deemed safe in the care of his parents. MCDSS conducted multiple safety assessments related to the surviving sibling. Each time he was found safe in the care of his parents. There was no CPS history for either the SM or SF.

MCDSS obtained collateral information from multiple agencies through the life of the investigation. MCDHS referred the family for bereavement services. The services were accepted and put in place.

MCDSS has determined that OC is receiving adequate supervision in the care of his parents. LE has not brought any criminal charge as a result of the fatality. At this writing the investigation is still pending and remains open.

LDSS Response

On June 20, 2015 the SCR received a report of a child fatality naming the SC mother and biological father of Inadequate Guardianship and DOA/ Fatality. The SC was pronounced deceased on June 20, 2015 at 12:30am at the hospital.

MCDHS arrived at the home to complete their assessment on 6/20/15 at 12:05pm. SM, BF, OC 2yr old and 3 other unidentified female friends were present and cleaning the home. OC was observed and wearing only a diaper. LE reported that there were no signs of any abuse or maltreatment. The visible parts of his body had no observable injuries. He appeared healthy and well cared for. Observation of the downstairs of the residence revealed there were no safety concerns. Adequate food and heat was observed. The surviving sibling was deemed safe in the care of his parents. 24 hr. safety assessment was completed.

MCDSS returned on 6/21/15 with LE to interview the SM and SF. Also present was OC, age 2yr and other family members. SM and SF agreed to demonstrate how SC was placed to sleep. The recall of events that occurred on the prior evening were consistent. Photos were taken of the SC sleeping area. The home was clean with adequate food and heat. No safety concerns were noted.

MCDHS interviewed the SC's Pediatrician, Family friend, and had Collateral contact with the attending hospital all described the parents as loving and attentive to their children.

MCDSS and LE conducted a joint investigation. Collateral contacts with attending hospital, law enforcement, medical providers, counselors occurred through the life of the case.

MCDHS referred the family for bereavement services and they were accepted and utilized through the life of the case. As of this writing the manner and cause of death is pending.
